

*You have enough*

**STOP ONLINE ORDERING**

**Stop buying things  
you don't need. Just  
because someone  
brings it to your door,  
doesn't mean that you  
should buy it!**

If you were to add up the amount of money spent on impulse buying, I have no doubt we could afford a holiday instead! How to break the habit? Make a list. When you want to order something online, write it down and give yourself 5 buying slots a year.

1st March, 1st May, 1st July, 1st Sept, 1st Nov  
My guess ... you won't bother to order it any more!!!

Just Imagine the money you will have saved by this time next year! This will be my most difficult advent habit.
